This list of the top U.S. Postal Service suppliers in fiscal year (FY) 2018 was compiled based on data received in response to a Freedom of Information Act request. Entries for companies believed to be affiliated or have common ownership were consolidated under the company with the highest individual ranking or best known name. City/state designations are based on the information in USPS payment records and may not be the contractor's primary location. The data covers payments made by the Postal Service in FY 2018 (October 1, 2017 - September 30, 2018). As in past years, purchases made under credit cards (including U.S. Bank and Voyager card fuel purchases) are not included in this list.

A separate alphabetical listing appears on page 3 for ease of finding a particular contractor.

Below are the top 150 suppliers to the U.S. Postal Service based on payments received in fiscal year 2018.

Table with 6 columns: Rank, FY17, Supplier Name, FY18, City, State. Lists top 30 suppliers including Federal Express Corporation, Eagle Express Lines, Inc., EnergyUnited Electric Membership Corporation, etc.
